Castle Construction, Inc.	\$44,884.30	January 10, 2007
Voss Construction	\$23,880.90	February 14, 2007
Oborny Construction	\$27,500.00	February 14, 2007

Council member Schatz made a motion to accept the bid of Voss Construction Inc., in the amount of \$23,880.90 for the construction of a Handicapped Fishing Pier to be constructed at the west David City Park Lake. Council member Smith seconded the motion. The bid is for the total project as stipulated including concrete sidewalk, 6" concrete parking pad, 12" wooden pilings, concrete footings & wall, 2"x12" Treated Lumber, 4" x 4" Treated posts, treated railing sections, treated decking, 6" x 6" treated posts, shingles, 1" x 8" tongue and groove, and rebar. Bidder agrees to start work on April 1, and work will be completed and ready for final payment within 60 calendar days, and on or before June 1. It was noted that Voss Construction built the fishing pier at Nebraska City that was also designed by the NE Game & Parks Commission. Voting AYE: Council members Holland, Hein, Lukassen, Smith, and Schatz. Voting NAY: None. Council member Scribner was absent. The motion carried.

Larry & Terry Novak were present with a request for 1<sup>st</sup> National Bank of Omaha to erect flagpoles on the City's right of way. They are proposing to install three flag poles: 1 – 25' high American flag pole and 2 – 20' high flag poles. First National Bank is going to begin a major renovation project in the next few months.

Council member Hein stated that times are changing; downtown renovation can be appealing and attractive. Considering this, Hein stated that he was no longer opposed to this project.

Council member Schatz stated that a request like this gets you looking and thinking. There are government signs and postings on city right-of-way but this request is for a private business. Schatz stated that he looked closely at other communities – Lincoln, Beatrice, etc. - and he couldn't see that 1<sup>st</sup> National Bank of Omaha was putting structures on the City's right-of-way in those communities. He was also in Omaha, Yankton and Brookings, South Dakota and he did not see a single case where a business has something on the City's right-of-way. "This request is contrary to set-back requirements and the General Plan" Schatz said. "If we allow this, it sets a precedent." Schatz said the Council has to seriously consider this request. "Where do you draw the line?" Schatz stated that if you extend this privilege to one, all should

be allowed. Schatz stated: "If the Council allows 1<sup>st</sup> National Bank of Omaha to erect these flag poles, then I can put up anything I want on my parkway which is the city's right of way." Schatz is for equity and equal treatment. Schatz asked: "What if a Mexican Restaurant comes to town, are you going to allow them to fly their flag on the city right-of-way?"

Larry Novak stated that this is a valid request. Larry said that he helped write the General Plan. It was not set in stone, it was a guide where adjustments could be made and requests could be considered.

Council member Schatz made a motion to deny the request by 1<sup>st</sup> National Bank of Omaha to erect flagpoles on the City's right-of-way as it is contrary to public policy and will not be equally applied. The motion died for lack of a second.

Council member Smith made a motion to allow the request of 1<sup>st</sup> National Bank of Omaha to erect flagpoles on the City's right-of-way.

Council member Schatz objected to the motion. It was noted that a second is not needed for an objection. Voting AYE: Council member Schatz. Voting NAY: Council members Smith, Holland, Hein, and Lukassen. Council member Scribner was absent. The objection of Council member Schatz failed.

Council member Bill Schatz made a motion to amend the motion by Council member Smith that if the Council approves placing a structure on public property that it be equally applied to all citizens; we cannot discriminate. City Attorney Egr stated that the Council cannot arbitrarily deny a request; the Council votes on what is in the best interest of the City. City Attorney Egr said "Bill, your examples are to the extreme and are all speculative." Voting AYE: Council member Schatz. Voting NAY: Council members Hein, Lukassen, Holland, and Smith. Council member Scribner was absent. The motion failed.

It was noted that Council member Smith still had a motion on the table. The motion was to allow the request of 1<sup>st</sup> National Bank of Omaha to erect flagpoles on the City's right-of-way. Council member Holland seconded the motion. Voting AYE: Council members Lukassen, Hein, Holland, and Smith. Voting NAY: Council member Schatz. Council member Scribner was absent. The motion carried.

Council member Schatz made a motion to ask for reconsideration of the motion, to allow the request of 1<sup>st</sup> National Bank of Omaha to erect flagpoles on the City's right-of-way, and on the votes cast. The motion died for lack of a second.

Larry Novak stated that he would work with Street Superintendent Jim McDonald regarding the placement of the flag poles and thanked the Council for their consideration and approval.

Jim & Jo Witter were present. They would like to erect a "clinic" on property currently owned by the County which is located on the east side of 10<sup>th</sup> Street between vacated Iowa Street and Ohio Street. This property is zoned High Density Residential and "clinics" are not listed as a permitted principal use or structure, or as a special exception. Witter's questioned what steps were required to get "clinic(s)" added to High Density Residential. Jim informed the

council that a meeting is scheduled for 7:30 p.m., Thursday, February 15, 2007, in the meeting room of the Butler County Health Care Center to further discuss the request to erect a clinic with hospital and county board members. The Mayor, City Administrator, and Council members were invited to attend.

It was noted that "health care" is very valuable and the Mayor and Council want Witter's to stay in David City.

Council member Smith stated that he didn't have a problem with the concept, but made reference to the definition for a "clinic" and stated that he had concerns with the last sentence. He would like to strike "apothecary". *Section 303: Definitions of the General Plan states: #303.21 Clinic, Medical, Dental or Health: Any building designed for use by one or more persons lawfully engaged in the diagnosis, care and treatment of physical or mental diseases or ailments of human beings; including but not limited to, doctors of medicine, dentists, chiropractors, osteopaths, optometrists, podiatrists, and in which no patients are lodged overnight, but which may include an apothecary.*

Council member Schatz made a motion to refer adding "clinic(s)", as a special exception in the High Density Residential Zoning Regulations, to the Planning Commission. Council member Smith seconded the motion. Voting AYE: Council members Hein, Lukassen, Holland, Smith, and Schatz. Voting NAY: None. Council member Scribner was absent. The motion carried.

Rural Fire Department members Mike Novotny, Doug Matulka, and Joe Birkel were present to discuss making repairs to "D" Street directly in front of the David City Fire Station located at 552 D Street. The brick street is beginning to sink causing the rear bumpers of the fire trucks to scrape; they have also had to re-spring one rig. The department is spending money on equipment repairs due to the poor street condition.

Council member Schatz stated that it is "not" that the Council is not in a cooperative spirit, but the City has a limited budget. The underground utilities need to be considered and perhaps a more effective storm sewer. Schatz suggested that the rural fire department hire an engineer to provide a solution.

Mayor Trowbridge stated that the City is willing to work with the Rural Fire Department but the Council needs "hard numbers" so they have an idea as to how this will affect the budget. Trowbridge said "Let's work together for a solution." "Let's do it right – consider storm water issues – we don't want to have to do it again".

City Administrator Johnson reported that the David City – Butler County Joint Airport Zoning Board was established in 1968. The last known meeting of this Board was in 1998. On January 22, 2007, this matter was brought before the Mayor and Council at a Committee of the Whole meeting. It was discussed by the Mayor and Council to explore the elimination of the David City – Butler County Joint Airport Zoning Board and the creation of an Airport Advisory Board.

Council member Schatz introduced Ordinance No. 1041. Council member Schatz made a motion to pass Ordinance No. 1041 on the first reading only. Council member Hein seconded

the motion. Voting AYE: Council members Lukassen, Smith, Holland, Hein, and Schatz. Voting NAY: None. Council member Scribner was absent. The motion carried and Ordinance No. 1041 was passed on first reading only as follows:
