§8-103 MUNICIPAL PROPERTY; SALE AND CONVEYANCE.

(1) Except as provided in subsection (4) of this section, the power of the Municipality to convey any real and personal property owned by it, including land used for park purposes and public squares, except real property used in the operation of public utilities, shall be exercised by resolution, directing the sale at public auction or by sealed bid of such real and personal property and the manner and terms thereof, except that such real and personal property shall not be sold at public auction or by sealed bid when:

In the event that the owner of any lot or parcel of land within the Municipality is a nonresident of the Municipality or cannot be found therein the notice may be given to any person having the care, custody or control of such lot or parcel of land. In the event that there can be found no one within the Municipality to whom notice can be given, it shall be the duty of the Street Superintendent or his agent to post a copy of the notice on the premise and then to cut or cause the weeds thereon to be cut as therein provided and report the cost thereof in writing to the Governing Body. The cost shall then be audited and paid by the Municipality and the amount thereof shall be assessed against the lot or parcel of land as a special tax thereon and shall be collected as are other taxes of the Municipality or may be recovered by civil suit brought by the Municipality against the owner of the parcel of land. However, if all the abutting property owners do not sign the consent/waiver form, the Governing Body may still proceed with vacating such street, avenue, alley, lane or similar public way under the authority granted them by Sections 17-558 and 17-559 RRS Neb.
